

Fall 2010 Varsity Jacket Order Form

Varsity jackets are available to order only one time per year. All team members who have completed a full year as a novice and are moving up to varsity are eligible to purchase a varsity jacket. So, if your son or daughter is rowing this fall as a novice but will move to varsity this spring, you should order a jacket now. Also, if your child rowed this past spring and will row again this coming spring, they should order a jacket now.

The Pittsford Crew varsity jacket is maroon and navy with gold accents. It has "Pittsford Crew" written on the back, the Pittsford "P" with crossed oars on the left front, and a name can be embroidered on the right front. It is a pullover with a short front zipper.

The "Pro-Tec" jacket is a highly water-resistant polyurethane coated nylon fabric with a full "Weatherblock" lining of a polyester fabric that is quite warm.

Price: \$90

The price includes the athlete's name embroidered on the front.

Name: _____

Phone number: _____

Size (circle one): XS S M L XL XXL
